

OUR TOP 5 FAVORITE THINGS TO DO IN MIDLAND-ODESSA

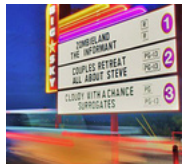

➔ Best Museum: Petroleum Museum

When you look up things to do in Midland this museum is on every list and rightly so. It's got fun and interactive content for the kids and an amazing variety of exhibits to keep

everyone engaged. The Petroleum Museum is open 7 days a week with shorter hours on Sundays, and charges \$12 for adults and \$8 for students. All kids under the age of 5 are free. Whether your looking for a date day or a fun outing for the whole family or just looking for something fun to do the Petroleum Museum is a must while in Midland-Odessa.

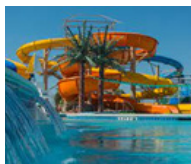

➔ Best Date Night: Big Sky Drive-In

Ok, I'll admit it. I'm a huge sucker for a drive-in movie, and you can't find them anywhere any more. That's what makes Big Sky such an amazing find here in Midland. Big

Sky shows a variety of different movies as double features on 3 different screens, so you know your getting a plenty of bang for your buck. They are only open on Friday-Sunday with showings starting late in the evenings, making it not great for kids but making it the perfect date night. They also have the largest menu I've seen at a theater.

➔ Best for the Kids: Doug Russell Pool

When I first heard about Doug Russell Pool I heard it was a community pool. So, I was expecting a splash pad and basic pool. Man was I wrong. There are 3

different large slides for the older kids, a splash pad with play area and slides for the littles, and a lazy river for Mom and Dad. Yes, I said a lazy river! At a community pool! I don't think there is more that I could ask from a community pool. This has got to be one of the best ways to get out of the Midland-Odessa heat out there.

➔ Best for whole Family: Cinergy

For the whole family has to equate to one thing in my book... Variety. That is why Cinergy is at the top of this list. To start off movies are always great entertainment for

everyone in the family. Then you add on top an escape room and an arcade! Oh ya, there's also a high ropes course! This place is insane Cinergy easily becomes a full day location that every kid will love. When you add in the dining area and bar it makes Cinergy great for adults as well. Maybe even turn this into the ultimate date night experience.

➔ Best for food and drink: City Nights

Great food, an reasonably priced drinks, an regular events and entertainment. These are the things that make a great bar and grill and City Nights

has all of them. They have almost weekly bands playing, and other events ranging from comedy to goat roping. Whether you go for the food, the music, or the goat roping its going to be a blast. While there is a ton of great food in Midland-Odessa City Nights' atmosphere is untouched.
